

K REND

centre of excellence

K Rend Centre of Excellence... ready to train

The newly opened K Rend Centre of Excellence provides specialist training facilities which are totally dedicated to the specific needs of those wishing to learn more about K Rend products, to gain the perfect finish.

Whether you want to improve your skills, projects or portfolio, our training and certification program can help you achieve your goals. Our course features class room learning and hands-on tasks ensuring on completion you'll be more productive and will achieve optimum product performance. Effective training also impacts positively on the reduction of wastage and rework.

Course Detail

The one day course is open to anyone. It is 65% hands-on based training and 35% classroom technical learning. On completion delegates receive: K Rend Certificate, Samples & Literature Pack, Hi-vis vest, Pen & Van Livery and the opportunity to become a 'Recommended K Rend Applicator'. Airport transfers are free of charge. Breakfast & lunch are provided. Courses run on the last Tuesday of every month (except January & December).
