

CASE STUDY:

Barratt Homes, Bristol

K Rend K1 Spray was chosen for this colourful project in Bristol, undertaken by E & H Melksham.

This extensive apartment block project was completed for Barratt Homes in Bristol.

A variety of bespoke colours were chosen from our Scraped Texture Render customisable pallet to create a striking contrast between the apartment units.

A number of colours were specified for the project including:

- Millennium Blue
- Moss Green
- Yellow
- Suffolk Pink
- Cream

K1 Spray incorporates silicone technology and is suitable for use with most render spray machines. It is ideal for large projects such as this, where the speed of machine application offers time saving benefits.
