

# CASE STUDY:

## Garvaghey GAA Centre, Tyrone

### £6.7m GAA Facility finished in K Rend Silicone FT

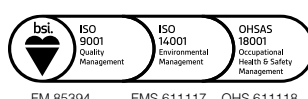

Garvaghey, a Tyrone Gaelic resource brings together a 43-acre site facilitating all gaelic codes and cultural/heritage activities for both men and women. The Centre hosts five floodlit grass pitches, a 3G pitch and the impressive fixtures and fittings include 10 fully equipped changing rooms, a plunge pool, physio/medical space, seminar rooms and a 200-seat auditorium.

The stunning development was finished using K Rend Silicone FT, Polar White for a crisp fine textured finish with weather resistant properties, leaving a GAA legacy for those in the future.

The exhibition and display area will welcome visitors of all ages and backgrounds to interactive events where the £6.7m facility will provide resources that will both live up to what Tyrone GAA is about and help it further flourish and prosper.

#### K Rend Materials Used

- ▶ K Rend Silicone FT Polar White
- ▶ K Rend Standard UF Base
